

Our Values

- Quest Pursues Creativity
- Quest Makes it Meaningful
- Quest Celebrates Theatre
- Quest Encourages Community
- Quest is Responsible

Here's what parents have been saying about our School Residency Program:

"So much laughter and fun! ... Thank you for your time, effort, and commitment to bring the life and love of theatre and the arts to schools and children."
- Parent from West Dalhousie

Adventure Awaits!

We are a touring Theatre for Young Audiences company based in Calgary that creates community through exceptional theatre adventures for young people throughout Alberta.

School Touring Productions

Fall and Spring Tours Suitable for K - 6

Quest is a professional theatre company that develops meaningful, relevant performances specifically designed to tour Alberta schools.

With the excitement of collaborative projects, innovative approaches, artistic risks, we bring joy, spark imaginations, and also create cycles of inquiry, understanding, empathy, and action.

"The Artists in School (Residency) Program has been fabulous! Thank you for all you did behind the scenes to organize this and to make sure that all the students had a blast while learning and engaging! I appreciate your energy, flexibility, and enthusiasm with the students. What a wonderful way to end the year!!"
- School Teacher

Spring & Summer Camps

Quest Theatre's Camps celebrate the organic, ridiculous, and brilliant creations of a child.

"Quest is awesome! I got to do so much. Not just acting but props and everything.
Best camp EVER!"
- 7-year-old Camp Participant

School Residency Program

Suitable for K-12
Funding assistance available

Quest Theatre's residency program provides schools with an interactive week-long theatrical experience where a team of industry artists facilitate the creation of an original production that includes everyone.

Drama Day

Calgary Only
Suitable for K-6
5 Classes
45 Minutes per class

This one-day program will bring an expert artist into your school to demonstrate developmental drama activities that explicitly address mental health, anxiety, relationship building, and creating classroom wellbeing.

Developed in collaboration with the Perlin Foundation For Wellbeing
